

# SAFETY DATA SHEET

Issuing Date 20-Jan-2014

Revision Date 20-Jan-2014

Revision Number 0

## 1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND THE COMPANY/UNDERTAKING

### GHS product identifier

Product Name SR-3

### Other means of identification

Product Code(s) 7965

Synonyms None

### Recommended use of the chemical and restrictions on use

Recommended Use Laundry Iron Remover

Uses advised against No information available

### Supplier's details

**Supplier Address**  
Sunburst Chemicals, Inc.  
220 W. 86th St.  
Bloomington, MN 55420  
TEL: 952-884-3144

### Emergency telephone number

Emergency Telephone Number 1-866-303-6943

## 2. HAZARDS IDENTIFICATION

### Classification

This chemical is considered hazardous according to the OSHA Hazard Communication Standard 2012 (29 CFR 1910.1200)

|                                   |            |
|-----------------------------------|------------|
| Ingestion                         | Category 1 |
| Skin Corrosion/Irritation         | Category 1 |
| Serious Eye Damage/Eye Irritation | Category 1 |

### GHS Label elements, including precautionary statements

### Emergency Overview

**Signal Word** Danger  
**Hazard Statements**  
• Causes severe skin burns and eye damage  
• May be fatal if swallowed

**Appearance** Clear**Physical State** Liquid**Odor** None**Precautionary Statements****Prevention**

- Do not breathe dust/fume/gas/mist/vapors/spray
- Wash face, hands and any exposed skin thoroughly after handling
- Wear protective gloves/protective clothing/eye protection/face protection

**General Advice**

- Immediately call a POISON CENTER or doctor/physician

**Eyes**

- IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing
- Immediately call a POISON CENTER or doctor/physician.

**Skin**

- IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower
- Wash contaminated clothing before reuse

**Inhalation**

- IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing

**Ingestion**

- IF SWALLOWED: Rinse mouth. DO NOT induce vomiting

**Storage**

- Store locked up

**Disposal**

- Dispose of contents/container to an approved waste disposal plant

**Hazard Not Otherwise Classified (HNOC)**

Not applicable

**Other information**

Harmful to aquatic life with long lasting effects

No information available.

**3. COMPOSITION/INFORMATION ON INGREDIENTS**

| Chemical Name | CAS-No    | Weight % | Trade secret |
|---------------|-----------|----------|--------------|
| Oxalic acid   | 6153-56-6 | 5-10     | *            |

*\*The exact percentage (concentration) of composition has been withheld as a trade secret.*

**4. FIRST AID MEASURES****Description of necessary first-aid measures**

**General Advice** Immediate medical attention is required.

|              |                                                                                                                                                                                   |
|--------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Eye Contact  | Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Seek immediate medical attention/advice.                                                 |
| Skin Contact | Wash off immediately with soap and plenty of water removing all contaminated clothes and shoes. Wash contaminated clothing before reuse. Seek immediate medical attention/advice. |
| Inhalation   | Move to fresh air. If breathing is difficult, give oxygen. If symptoms persist, call a physician.                                                                                 |
| Ingestion    | Do NOT induce vomiting. Drink plenty of water. Never give anything by mouth to an unconscious person. If symptoms persist, call a physician.                                      |

**Most important symptoms/effects, acute and delayed**

**Most Important Symptoms/Effects** No information available.

**Indication of immediate medical attention and special treatment needed, if necessary**

**Notes to Physician** Treat symptomatically. Treatment should be started rapidly by giving dilute solutions of calcium containing liquids, milk, chalk powder, etc., to moderate the oxalate ingested.

## 5. FIRE-FIGHTING MEASURES

**Suitable Extinguishing Media**

Water. Carbon dioxide (CO<sub>2</sub>). Dry chemical.

**Unsuitable Extinguishing Media** None

**Specific Hazards Arising from the Chemical**

No information available

**Hazardous Combustion Products** None.

**Explosion Data**

**Sensitivity to Mechanical Impact** None

**Sensitivity to Static Discharge** None

**Protective Equipment and Precautions for Firefighters**

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

## 6. ACCIDENTAL RELEASE MEASURES

**Personal precautions, protective equipment and emergency procedures**

**Personal Precautions** Avoid contact with skin, eyes and clothing. Ensure adequate ventilation. Use personal protective equipment. If spilled, take caution, as material can cause surfaces to become very slippery.

**Environmental Precautions**

**Environmental Precautions** Avoid release to the environment. Collect spillage. See Section 12 for additional Ecological Information. Dispose of contents/container to an approved waste disposal plant. Prevent product from entering drains. Do not flush into surface water or sanitary sewer system.

**Methods and materials for containment and cleaning up**

**Methods for Containment** Prevent further leakage or spillage if safe to do so.

**Methods for Cleaning Up** Collect and reuse if possible. Following product recovery, flush area with water.

## 7. HANDLING AND STORAGE

### Precautions for safe handling

**Handling** Handle in accordance with good industrial hygiene and safety practice. Ensure adequate ventilation. Avoid contact with skin, eyes and clothing. Do not eat, drink or smoke when using this product. Wash thoroughly after handling.

### Conditions for safe storage, including any incompatibilities

**Storage** Keep container tightly closed. Keep container closed when not in use. Keep out of the reach of children.

**Incompatible Products** Chlorine-based bleaching agents.

## 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

### Control parameters

**Exposure Guidelines** This product does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

### Appropriate engineering controls

**Engineering Measures** Showers  
Eyewash stations  
Ventilation systems

### Individual protection measures, such as personal protective equipment

**Eye/Face Protection** Tightly fitting safety goggles.  
**Skin and Body Protection** Rubber gloves.  
**Respiratory Protection** If exposure limits are exceeded or irritation is experienced, NIOSH/MSHA approved respiratory protection should be worn.

**Hygiene Measures** Wash thoroughly after handling.

## 9. PHYSICAL AND CHEMICAL PROPERTIES

### Information on basic physical and chemical properties

|                       |        |                       |                          |
|-----------------------|--------|-----------------------|--------------------------|
| <b>Physical State</b> | Liquid | <b>Appearance</b>     | Clear                    |
| <b>Odor</b>           | None   | <b>Odor Threshold</b> | No information available |

| <u>Property</u>                        | <u>Values</u>     | <u>Remarks/ - Method</u> |
|----------------------------------------|-------------------|--------------------------|
| pH                                     | 1.5               | None known               |
| Melting Point/Range                    | 30 °F             | None known               |
| Boiling Point/Boiling Range            | 212 °F            | None known               |
| Flash Point                            | No data available | None known               |
| Evaporation rate                       | No data available | None known               |
| Flammability (solid, gas)              | No data available | None known               |
| Flammability Limits in Air             |                   |                          |
| upper flammability limit               | No data available |                          |
| lower flammability limit               | No data available |                          |
| Vapor Pressure                         | No data available | None known               |
| Vapor Density                          | No data available | None known               |
| Relative Density                       | No data available | None known               |
| Specific Gravity                       | No data available | None known               |
| Water Solubility                       | Complete          | None known               |
| Solubility in other solvents           | No data available | None known               |
| Partition coefficient: n-octanol/water | No data available | None known               |

|                           |                   |            |
|---------------------------|-------------------|------------|
| Autoignition Temperature  | No data available | None known |
| Decomposition Temperature | No data available | None known |
| Viscosity                 | No data available | None known |

Flammable Properties Not flammable

Explosive Properties Not explosive  
Oxidizing Properties Not an oxidizer

#### Other information

VOC Content (%) 0%

### 10. STABILITY AND REACTIVITY

#### Reactivity

No data available.

#### Chemical stability

Stable under recommended storage conditions.

#### Possibility of hazardous reactions

None under normal processing.

#### Conditions to avoid

None known based on information supplied.

#### Incompatible materials

Chlorine-based bleaching agents.

#### Hazardous decomposition products

No data available.

### 11. TOXICOLOGICAL INFORMATION

#### Information on likely routes of exposure

##### Product Information

|              |                                                                                                      |
|--------------|------------------------------------------------------------------------------------------------------|
| Inhalation   | May cause irritation of respiratory tract.                                                           |
| Eye Contact  | Causes serious eye damage. LC50: 250 mg/24 hr severe irritation.                                     |
| Skin Contact | Contact causes severe skin irritation and possible burns. LC50 500 mg/24 hr mild irritation.         |
| Ingestion    | Ingestion may cause stomach discomfort at low levels, but can be fatal in quantities above 50 grams. |

#### Symptoms related to the physical, chemical and toxicological characteristics

Symptoms No information available.

#### Delayed and immediate effects and also chronic effects from short and long term exposure

|                   |                                                |
|-------------------|------------------------------------------------|
| Sensitization     | No information available.                      |
| Mutagenic Effects | No information available.                      |
| Carcinogenicity   | Contains no ingredient listed as a carcinogen. |

|                                 |                           |
|---------------------------------|---------------------------|
| <b>Reproductive Toxicity</b>    | No information available. |
| <b>STOT - single exposure</b>   | No information available. |
| <b>STOT - repeated exposure</b> | No information available. |
| <b>Aspiration Hazard</b>        | No information available. |

**Numerical measures of toxicity • - Product**

The following values are calculated based on chapter 3.1 of the GHS document:

|                    |                                                      |
|--------------------|------------------------------------------------------|
| <b>LD50 Oral</b>   | 50 grams total dosage mg/kg; Acute toxicity estimate |
| <b>LD50 Dermal</b> | No information available.                            |

## 12. ECOLOGICAL INFORMATION

**Ecotoxicity**

Harmful to aquatic life with long lasting effects.

| Chemical Name | Toxicity to Algae | Toxicity to Fish                                    | Toxicity to Microorganisms | Daphnia Magna (Water Flea) |
|---------------|-------------------|-----------------------------------------------------|----------------------------|----------------------------|
| Oxalic acid   |                   | LC50 96 h: = 14.2 mg/L static (Pimephales promelas) |                            |                            |

**Persistence and Degradability** No information available.

**Bioaccumulation** No information available.

**Other Adverse Effects**

No information available.

## 13. DISPOSAL CONSIDERATIONS

**Waste Disposal Methods** Dispose of in accordance with federal, state, and local regulations

**Contaminated Packaging** Dispose of in accordance with federal, state, and local regulations.

## 14. TRANSPORT INFORMATION

**DOT** Not regulated

## 15. REGULATORY INFORMATION

**International Inventories**

**TSCA** Complies

**Legend**

TSCA - United States Toxic Substances Control Act Section 8(b) Inventory

**U.S. Federal Regulations**

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372.

**SARA 311/312 Hazard Categories**

|                                          |     |
|------------------------------------------|-----|
| <b>Acute Health Hazard</b>               | Yes |
| <b>Chronic Health Hazard</b>             | No  |
| <b>Fire Hazard</b>                       | No  |
| <b>Sudden Release of Pressure Hazard</b> | No  |
| <b>Reactive Hazard</b>                   | No  |

**Clean Water Act**

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

**CERCLA**

This material, as supplied, contains no substances regulated as a hazardous substance under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302).

**U.S. State Regulations****California Proposition 65**

This product does not contain any Proposition 65 chemicals.

**U.S. State Right-to-Know Regulations**

| Chemical Name | New Jersey | Massachusetts | Pennsylvania | Minnesota | Rhode Island |
|---------------|------------|---------------|--------------|-----------|--------------|
| Oxalic acid   | X          | X             | X            | X         | X            |

**U.S. EPA Label Information**

EPA Pesticide Registration Number Not applicable

**16. OTHER INFORMATION**

|                    |               |   |              |   |                 |   |                               |   |
|--------------------|---------------|---|--------------|---|-----------------|---|-------------------------------|---|
| <b><u>NFPA</u></b> | Health Hazard | 3 | Flammability | 0 | Instability     | 0 | Physical and Chemical Hazards | - |
| <b><u>HMIS</u></b> | Health Hazard | 3 | Flammability | 0 | Physical Hazard | 0 | Personal Protection           | A |
