Issued: September 18, 2015

1. **PRODUCT AND COMPANY IDENTIFICATION**

Product Name: Surface Cleaner

Distributed by: Vectair Systems, Inc.
Memphis, TN 38111

Telephone Number: (877) 697-7276

Website: www.vectairsystems.com

2. **COMPONENTS**

Component	CAS #
Ethanol	64-17-5
Glycerin	56-81-5
Propylene Glycol	57-55-6
Water	7732-18-5

3. **HAZARD IDENTIFICATION**

Potential Health Effects

Eye contact

Moderately irritating to eyes.

Skin Contact

This product is safe for contact with the skin, but prolonged exposure may cause skin dryness.

Inhalation

Inhalation can lead to feeling of light-headedness.

Ingestion

Ingestion can lead to loss of consciousness or death.

4. FIRST AID MEASURES

Eyes: Flush with water for fifteen minutes. If burning persists, see a physician. Do not rub eyes.

Skin: In the case of chapped hands, apply a skin moisturizer.

Ingestion: Immediately rinse mouth out with water. Do not induce vomiting. Get medical attention.

Inhalation: Remove to fresh air. Seek medical attention if symptoms persist.

5. FIRE-FIGHTING MEASURES

Flash point: 55 °F (minimum)

Flammable Limits (volume percent in air): LEL: Not Established UEL: Not Established

Autoignition Temperature: Not determined

Fire-Fighting

Keep fire exposed containers cool with water spray. Separate unburning product from fire. Use carbon dioxide, foam, or dry chemical extinguishing media to put out fires.

Unusual Decomposition Products Under Fire Conditions

None

6. ACCIDENTAL RELEASE MEASURES**Personal Precautions**

Rinse thoroughly after contact. Launder contaminated clothing before reuse.

Environmental Precautions

Remove all sources of heat or flame.

Dike large spills to prevent ingress into sewers.

Clean spills with absorbent and store in marked containers for disposal.

Dispose in accordance with all applicable regulations.

Flush area with water to remove slippery floor hazard.

7. HANDLING AND STORAGE**Safe Handling and Storage**

Store containers away from sources of heat or flame.

Do not smoke around or while using this product.

Keep containers inside and out of direct sunlight.

Avoid storage temperatures above 100 °F and below 40 °F.

Do not reuse containers.

Incompatible Products

Avoid strong oxidizing and reducing agents.

8. EXPOSURE CONTROL AND PERSONAL PROTECTION**Ventilation**

Not necessary when used as directed and work place exposure guidelines are maintained. If work place exposure guidelines are to be exceeded, use proper ventilation to maintain safe environment.

Respiratory Equipment

Not required when work place exposure guidelines are maintained.

Protective Gloves

Not Required. This product is safe for skin contact. If prolonged skin contact is expected, use of chemical resistant gloves is recommended.

Work Place Exposure Guide Lines

Ethanol has a PEL of 1000 ppm; TLV of 1000 ppm

9. PHYSICAL AND CHEMICAL PROPERTIES

Boiling Point:	180 °F
Specific Gravity (water =1):	0.90
Vapor Pressure (mm Hg):	Not Established
Melting Point:	Not Applicable
Vapor Density (Air =1):	>1
Evaporation Rate (butyl Acetate=1):	1.2
Solubility in Water:	Soluble
Reactivity in Water:	NIL
Appearance:	Colorless liquid
Odor:	Low odor

10. STABILITY AND REACTIVITY

Stability: ☐ Unstable ☒ Stable

Conditions to Avoid: None

Incompatibility (Materials to avoid): Strong oxidizing and reducing agents.

Hazardous Decomposition Products: Thermal decomposition may produce oxides of carbon and nitrogen.

Hazardous Polymerization: ☐ May Occur ☒ Will Not Occur

Conditions to Avoid: Not Applicable.

11. TOXICOLOGICAL INFORMATION

This product is believed to have a low toxicity and should not pose a hazard to health when used correctly in industry.

12. ECOLOGICAL INFORMATION

Please refer to Section 6 for accidental release information and Section 15 for reporting information.

13. DISPOSAL CONSIDERATIONS

Waste product can be disposed of by wastewater treatment or in an approved landfill according to all applicable regulations. Containers should be washed and sent to a plastic recycler.

14. TRANSPORT INFORMATION

This product is considered hazardous to transport.

Transportation Name: UN1170, Ethanol Solutions, 3, PG II

15. REGULATORY INFORMATION**TSCA**

The components of this product are listed on the TSCA Inventory.

CERCLA

If this product is spilled it does not require reporting under CERCLA.

SARA Title III

SARA Title III does not apply to this product.

16. OTHER INFORMATION

This product has the following rating under the Hazardous Materials Identification System.

Health 1
Flammability 3
Reactivity 0

Key
4 = Severe
3 = Serious
2 = Moderate
1 = Slight
0 = Minimal
